My roommate and I are complete polar opposites even though people tell us we look a lot alike. She's nerdy and geeky and stays home in the evenings, and I'm the volleyball-playing athletic type. She works days at a library around the corner and I work nights at a strip club downtown. It took some trying but I finally convinced her to come and check me out in the club and I think she enjoyed my lap dance. And she tipped me, too. Now that hard, part... which one am I? Can you tell?

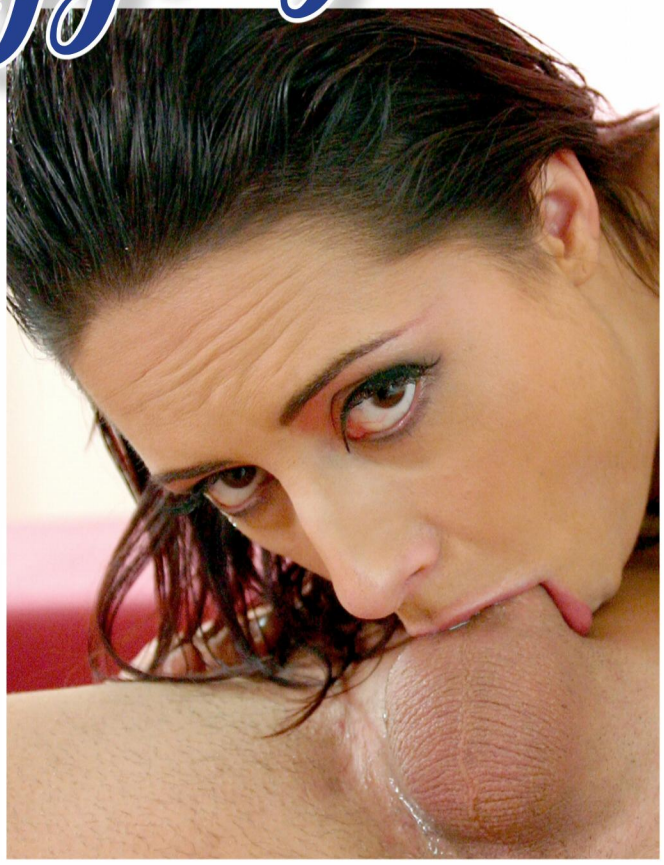
A REPORT ON HOW SEX IS MADE

Blogging



I'm a Los Angeles based blogger driving down the 101 to Santa Barbara. It's a scenic drive but I'm hoping that when I get there it will all be worthwhile. You see, three months ago I received an email from a famous porn star saying he would be directing his first movie for a major LA studio and asked if I would like to cover it. 'Cover it?' I asked him what 'cover it' meant. He told me that he was looking for exposure for the movie and his directing. He would let me be on set, interview the actors and crew, and send me a copy of the DVD. 'DVD?' I asked. No one makes adult movies for DVDs anymore. It's all gone digital. "Not all of it," he explained.

Apparently there's still a thriving DVD market below the Equator. He said he was contacted by a porn director down under who he had worked with in Australia and offered the gig to him. He said they would finance all of it if he would cast it with specific models that were popular down there. He said he'd do it but needed some time to pull it together. That was over three months ago and now he had everything in place to shoot. There would be three days of shooting and I could stay for all three, but there would be two other reporters there also. One from Sydney and the other fromLima, Peru who would come along with the producers. At first I hesitated, but when he told me who was going to be in the movie, I jumped right in.

I left at five in the morning to get into Santa Barbara by eight. I followed the onboard navigation to the destination where I was greeted by security at the gate to the grounds. I pulled up the email on my phone and he let me pass. I drove up the driveway to find a modern, sprawling house with great views of the ocean. There were about a dozen cars and a couple short chassis bobtail trucks. I saw people milling around and I asked one of the guys, looked like crew, where I could find the director, Decker.

He pointed into the house and I went in. The foyer was large and the view into the house looked like a small ant colony. Crew was setting up. Craft services was in a far corner; the actors, I assume, were back in some room getting made up. Even though I had never met Decker, I recognized him from some of the scenes he was in. A thirtyish, tanned faced man; slim and personable. I went over to him and the five others around him as they were setting the first scene. I hesitated a few feet from the group as lighting was being set up.

One of the younger guys in the group noticed me and nudged Decker to turn around. I introduced my self and he thanked me for coming. Decker then introduced me to the others there. David was the money man from Aussie. Benny was the reporter from Sydney, and Juan was the Peruvian. The fifth guy standing there was Brad, the PA and Decker's right hand guy. Decker offered me Brad's seat and we all sat, except for Decker and Brad who ran off to the back rooms to get the talent moving. The four of us talked for a bit and they explained a little more about the longevity of DVDs down there, and the audiences that love the performers here today.

Decker and Brad return to their perch and talk for a minute to the cameraman. It's Robert, an old school dude from the film days now shooting digital. Decker goes over to the sofa and motions a girl to come over. Dressed in a cute summer dress is Besty. Benjamin whispers to me that she is one of the Aussie's favorite anal girls... in her name. Right behind her is Marshall from the bay area. After the silly set up as a delivery boy, Marshall gets down to business on Besty's glistening pink slit, lapping up her sweet lady juices. He uses one hand to pull open the plush folds of her labia and expose her clit to his flickering tongue and the camera. Decker whispers for Marshall to hold her in position as she rides him in the throes of her climax.

David explains the story line to me as I'm taking notes into my laptop. Teresa, who we'll see later, is the girlfriend of this electric car tycoon. He's always away on business so Teresa parties as much as she can, but the only stipulations are that she not fuck any guys and that she have another girl for him when he returns for their customary three-ways. The scene involving Marshall switched to him on the sofa and Besty more than eager to reciprocate as she feasts on his cock, deepthroating his massive tool to the point of audible gagging. Within minutes Marshall is holding Besty by her pretty flushed face and guiding himself along the bottom of her outstretched tongue, slowly teasing her as his muscles tense until Besty grabs his ass and forces him all the way into the soft back of her throat. Marshall leans over, moving himself further into her accommodating, stretched mouth, and shows her off her cum-covered face to the camera... and 'cut.'

"Pretty good blow job," says Robert as he wipes the camera lens. I look around and the crew springs into motion that Besty and Marshall seem oblivious to. Decker walks towards them and sets the next scene. He consults with Robert and he suggests some transitions to keep the fucking interesting. Decker agrees and backs away. Marshall and Besty get back on the sofa with Besty on her side and hunky Marshall behind her. Marshall feeds his engorged tool into her tiny, dripping snatch and drills her with a profound sexual fury. It is awe-inspiring to watch as he holds her in place and slams away while she wails, pants and moans. I momentarily pause from writing to watch more of the action.

Marshall then rolls her over and slides his dick slowly into Besty's slick ass hole. He builds up a deliberate motion in her ass, then once she begins to push her ass back, stretching her hole wider for him, Marshall increases speed and tempo. The look on Besty's face during her anal violation is one of the ecstatic rapture. I look over at the producer and David is leaning forward, elbows on knees, taking it all in. Marshall now pistons into her soft, pliable ass and pussy juice runs down her trembling legs. A series of uncontrollable orgasms shake the girl's ass cheeks. Next, Marshall slides her on top of him, in reverse cowgirl, with his dick

still firmly planted in her ass. She uses her legs and inner thighs to maneuver herself up and down, impaled on his meaty shaft. Then Besty rolls off Marshall and begins to choke on his dick until he loses control and unleashes a torrent of milky whiteness again into her mouth.

Decker stops the action and compliments them on their

performance. We reporters take advantage of the downtime to add more copy to the stories. I look up and see Marshall help Besty to her feet and hand her a towel that one of the PAs dropped on the sofa. The crew breaks the lighting down and begins moving over to the next location. Robert is already gone and Decker tells us to head upstairs. There we find luscious blonde Rachel already on her knees taking Chopper into the back of her throat as far as she can. Rachel is known as a ravenous cock sucker, and an Aussie favorite, I learn. Chopper poles her up and swaps saliva with her before positioning her curvy, bubble ass on the edge of the bed and fucks her doggy style.

Rachel moans like a wild horse once she gets his nine-inch dick fully inside of her. Rachel thrusts her tight, round ass back into his dick and Chopper has to grab the edge of the bed to keep up with her. One look in her eyes can tell you that Rachel is ready to eat him alive if she has to in order to get herself some satisfaction. After a wild ride, Decker cuts the scene off and calls out for a lunch break. By now it's almost two in the afternoon and the time has passed slow and fast. Fast during the action, and painfully slow when there's down time and there seems like a lot of it.

This is my chance to interview Besty, but I see that Benjamin has already grabbed her. I ask if I may join them and they agree. Between bites, Besty answers our questions with candor and a few well-placed giggles. Ten minutes later I hear Decker call everyone back to the set. With almost no warm up, Decker positions Rachel into missionary with Chopper and quickly he burrows his dick into her pussy. Rachel relaxes slightly and lets out a satisfied moan. After several minutes of this, stopping now and then for different camera angles, Rachel climbs on top of him in reverse cowgirl for the final position. Fucking and bucking, Rachel cums like a wildcat. If it wasn't a real climax, she sure can act. But apparently one orgasm is not enough.

Now, it's seven in the evening and the sun is starting to set. The final scene takes place near the swimming pool, where Fairee, a young full-breasted newcomer who only does girls, asks for help preparing for the next sex scene from the delicious Bobbie and feisty pixie Stacey. Much of the dialogue is scrapped in order to get straight to the action and not a single crew member complains as the ladies begin to remove their bikinis and bury their faces in each other's juicy wet pussies.

Fairee's lithe, tender form and full breasts with rigid nipples seem to come to life beneath Bobbie' subtle ministrations. Her tiny ass offers virtually no resistance to the glass toy that Bobbie pries her open with. Bobbie crawls up into doggie, wiggling her ass in the air while she slurps on Fairee's slick pussy lips. Meanwhile, Stacey squats next to them and gives Fairee a deep tongue kiss, rolling her tongue sensually over her with their eyes closed. It is the familiar lipstick lesbian fantasy complete with groping, moaning and endless finger-fucking.

Bobbie double fingers both girls next, as they make out on the poolside lounge chairs. Then they team up on her and bang her with a toy while guiding her face into Stacey's pussy. The combinations seemed endless in this seductive world, and the shooting seems to go on forever. But suddenly Robert realizes they have far too much footage to ever use, and the scene wraps itself up with their final orgasms. Even as the crew packs up and prepares to leave, the trio seems disinclined to relinquish their passionate sapphic embraces and they linger behind, giggling and touching each other.

By now it's after midnight. Decker has set up rooms for us to bed in at the house. The next day the shoot is to move to another location nearby. Before we go, I spend a few minutes with Decker asking all the right questions and getting the standard answers from him. Our limo has arrived at the house. I get in and ride along with the three ladies and without makeup I don't recognize any of them!

MIA ROSE

WILL IT FIT?

I love being in control. When you have a 5 foot 3 inch girl riding a guy like a horse, that's control. When I've got a cock in my mouth or hands, that's control. When a guy cums because of what I did, that's control. When I leave the guy panting and wanting more, now that's real control. They are just puppies in my hands at that point.

WHAT THE HELL...

I'm writing in appreciation of the more mature woman. I'm twenty myself but like over-thirty year old MILFs. I love these women and they like me. Once they know that I'm interested in sleeping with them, the task is so much easier. Since I moved to this high-end, North Shore suburb of Chicago, I've been getting all the mature nookie I can handle. I found a job at a small hair salon whose clientele is just my type. It is wholly managed and owned by a lovely lady, Lea. She is a great boss, accommodating her clientele and never rude. There are only three employees working at the shop, two ladies and myself.

I'm pretty well built, not gay, and know how to charm the ladies. Lea's now divorced saying the shop is her current lover. She has a great sense of dressing. She mostly wears skirts in the shop. We are frank to each other. During lunches, mostly talk and pass our time, as fewer people come in at noon time. Today, it's 8:30 in the morning when I left my home for the shop. I'm always punctual. I'd reached the shop 10 minutes later since it's It's not far from my house. Truth be told, Lea, who is 33 years old, is very attractive. This morning she's wearing a black skirt just a bit shorter than her knees. She's as tall as me with blonde hair, a sexy ass, and full breasts. I was attracted to her from the moment I interviewed with her. It was quite busy today and we were tired by lunch time, so she decided to close the shop for an hour after looking at the afternoon bookings. Nobody was in the shop except us. So we started our inevitable conversations as usual about the clients and their problems we always seem to hear about.

During our break, Lea invited me to stop by her house tonight on the way home for a drink. She was leaving early and I could close the shop down. I said that would be nice and she left in the early afternoon. I decided to go home first and freshen up and then left for her place. As it was a casual invitation for drinks, I wasn't shocked to see her in a housecoat while opening the door. Tasteful but sexy. I entered the house and she invited me to sit on the sofa. The drinks were already on the coffee table. I blurted out, "Do you dress this way when company's coming?" She smiled at me and leaned over to get the drinks. Of course, her boobs fell forward filling the flimsy bra top underneath.

She handed me a glass of wine and held one for herself. I decided, 'what the hell,' and sat back on the sofa making myself comfortable. We started drinking. After a couple of glasses more, the conversation became more heated. "I'd like to play a game of cards.: she said. She brought out a deck when I agreed. After playing for sometime, she asked to add a new rule to it. Every time when one person loses he/she must take off a piece of clothing. Sounded like strip poker to me, and I knew I was a winner because she only had on a few things.

She won the first hand. I quickly unbuttoned my shirt. I was quite horny by now. The next few hands

were won by her and I didn't lose on purpose. I ended up naked. She lost the next three hands and by now we were both naked and a little tipsy. I stared at her boobs and felt my cock throbbing under the table. "Well, what do we play for now?" she asked coyly. I volunteered that we could play to see who is going down on the other first. She was not surprised and dealt out the next hand. I lost, that is... I won.

That is, I lost the hand and she got to go down on me first, so she got down on her knees and started playing with my member. It felt great when she licked the tip, then took it inside deeper. She asked me to fuck her mouth, I did exactly that as she twirled my swollen balls in her hand. We both were moaning, and when I came in her mouth, it seemed she came too. My cum was dripping out of her mouth on her breasts, she rubbed it in, and let me do it, too. I licked my own sperm off her nipples, she was breathing deeply, then I slid down and put two fingers inside her. While I was fingering her, I also licked her clit. She asked me to keep doing it.

She soon came and shouted out loud in ecstasy. We lay on the sofa for the next few minutes, then went to her bedroom. She lay on her back, spread her legs and told me to fuck her. I got on top, positioned myself over her and thrust my dick in. We talked dirty as we fucked, and we both moaned as we climaxed; laughed about some incidences at the shop and ultimately fell asleep in each other's arms. Fortunately, the next day was Monday and the shop was closed.

PICNIC NOOKIE...

I just had to write because I bagged my first twenty-something last night. I was at our company picnic that was being held at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year since my transfer from Columbus so many faces were new to me.

One of them was this very attractive babe named Robin. She was sitting at one of the picnic tables eating some potato salad and there was an open seat next to her so I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me, and to Robin. She said hello and little else for several minutes.

I tried to get a conversation going with some short questions, where did she work, how long, did she like it. Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the table cleared and Robin and I were the only ones left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good some bad. And married.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in mar

keting and hoped to stay a long time. As the day wore down we went our own ways but at the end of the day as we all gathered for a little pep rally from the bosses, she came up and stood beside me. We said 'Hi."again, and she asked if I wanted to get a drink after the picnic. "Just the two of us?" I asked. "Just us." she replied. Did this hottie just asked me out? I can't wait.

Later we met at a local restaurant and had dinner and drinks. We laughed throughout it and I became more and more infatuated with her. Her eyes were mesmerizing and her body was killer. As the night wore down the conversation got hotter and more suggestive. She said her boyfriend had moved out a month ago to be with another man and she hadn't quite recovered from the shock. Suddenly, she asked if I would come home with her and after initially refusing, I thought better and told that I would like to.

We went to her home and it was very nice with a lot of oak and antique looking stuff throughout. We wasted little time getting it on. The dinner conversation and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and she told me to strip down and sit on the bed. I covered myself quickly with a pillow. My cock was very hard already and I was a little embarrassed. She came out of the bathroom, naked. Wow, did she look good, but before I could get a better look, she came over, flung the pillow off me and took my dick in her hand, bent down, looked at it hungrily, and licked the tip of it.

As the head of my dick disappeared into her mouth, she surrounded it with her warm lips. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cocksucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked on me.

I stopped her and sat up. I then moved on top of her, skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy, I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard nipples. I took each one, in turn, into my mouth as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her love hole.

She moaned out loud pushing my head south and on to her now soaking pussy. I kissed and licked my way down to that lovely pussy of hers. As I slid my hand over her wetness, she thrust her pussy at it. She was like a wanton woman by the time I got two fingers deep inside her. I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

Thankfully the next day was the fourth and we stayed in bed all day, fucking another two or three times before I had to go home. At work We would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will... Or not.

"BEFORE YOU GET **MAD,** JUST REMEMBER IT WAS **DARK** AND I JUST REACHED FOR **ANYTHING.**"

PORNSTAR INTERVIEW

Four-Star Fuck Freak!

California screen slut and Digital Playground contract star Riley Steele's career just keeps getting hotter. It seems like every time she wraps her sweet pussy around a thick slab of cock for the camera, the flick winds up getting numerous award nominations. Her late 2011 release with DP, *Fighters*, is one of the most celebrated smut titles of that year, and her most current flick, *In Riley's Panties*, is leaving porn fanatics across the globe with racing hearts and sticky fingers. Riley recently began offering her fans a very special treat by launching a multi-city feature dancing tour where followers of porn's quintessential blonde, blue-eyed goddess get to see their wet dream girl in the flesh.

RILEY STEELE

Interview by Mary Carey

***SWANK:** These are very exciting times for you. I understand that you started your feature dancing career recently. What has that been like for you?*

Riley: It's been great. I just did my first show in San Diego, and my next shows are in Las Vegas. I love it. I've been wanting to do this forever, and the San Diego show was a great experience.

"Porn has taught me that there is definitely a line between love and sex..."

—R. Steele

***SWANK:** One of your latest releases,* **In Riley's Panties,** *has a real fetish theme to it. What can you tell our readers about the movie?*

Riley: It's all about guys being perverted. I have a boyfriend who's always fucking other girls and leaving their panties in my room. I find them and think they're hot. It's a really dirty and kinky movie.

***SWANK:** Speaking of kinky and perverted, can you share a secret or two about your kinkier side–things your fans might now know about?*

Riley: I don't know if it's a fetish, but I do like a lot of role playing. I especially like playing the submissive role. In my movies I am not always submissive, but, off camera I really get turned on by letting someone dominate me.

***SWANK:** Another big movie for you and Digital Playground is* **Fighters.** *Tell us about the character you play in the movie?*

Riley: I play Jesse's (Jane) little sister. Jesse is getting into a lot of trouble in school and she turns to boxing. The movie is about Jesse and Kayden's (Kross) characters, all of us really, finding our way and realizing that everyone has their-

problems, trials and tribulations. But you have to move on and move through them. It's a really good movie. Of course there's plenty of amazing sex to watch as well.

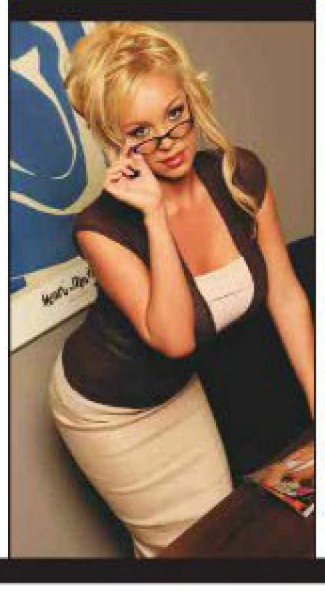
SWANK: *You play a major role in yet another Digital release,* **Escort**. *In this one you play Kayden's sister. Am I right?*
Riley: Yes. I'm Kayden's sister and she brings me in on a plot to catch her husband cheating on her. We had a lot of fun making that movie.

SWANK: *Who do you have sex with in* **Escort?**
Riley: For *Escort* I have sex with Manuel [Ferrara]. It's a very hot scene. The whole movie is really good.

SWANK: *Where do you take his cumshot?*
Riley: He cums in my mouth. It's really hot. The whole scene is hot. People should definitely check that out.

SWANK: *What has working in porn taught you about yourself and your own sexuality?*
Riley: Porn has taught me that there is definitely a line between love and sex, and that I am totally able to separate emotions from sex with no problem. I feel like a lot of men are like that naturally, but a lot of women get attached with anyone thay have sex with. But I think for a porn star to be successful they have to be able to keep a level head and understand that love and sex are totally different things.

"I love to go slow and let you know that I really enjoy giving you pleasure..."
—R. Steele



SWANK: *For me, some of your hottest work has been in the Digital Playground JewelBox series–***Cherry One** *and* **Two**. *Did you have a lot of sex experience with girls before you got into the adult industry?*
Riley: Oh yeah. I have always loved girls. A lot of my sexual experiences were with girls before I got into porn, so working with girls is nothing new to me. Also, in the bigger movies from Digital Playground, all the contract girls shoot a scene together. I love whenever we get to do that. But yeah. The JewelBox movies are really good, I love that I got the chance to work in them.

SWANK: *Having said that, what turns you on more, being eaten by a man or a woman?*
Riley: I get very tuned on from both, but I do like boys more. I also find it easier to be submissive with the boys. Girls are great too, though. Actually I love good oral sex, no matter who is doing it. [laughs]

SWANK: *What are your secrets for getting both men and women off with your mouth?*
Riley: Either way, what I like to do is go really slow. You have to really be into what you're doing and enjoying it.

SWANK: ***Speaking of getting off. You have a Fleshlight toy that your fans seem to really enjoy getting off with.***
Riley: Yes. I love the Fleshlight. They molded my pussy, my mouth and my ass. They are all for my fans to enjoy.

SWANK: ***Would you say that they are just like fucking the real Riley?***
Riley: Yes. A lot of time and work goes into the molding and making of the Fleshlights. So, yes they are the closest thing out there to the real Riley. [laughs]

SWANK: ***How can we find you online?***
Riley: There's my new site, *rileysteele.com*. You can also find out everything about my movies at digitalplayground.com, and there's Twitter–*twitter.com/rileysteele*.

"Off camera I really get turned on by letting someone dominate me..."

—R. Steele

That's the key, too. I love to go slow, make eye contact and let the other person know that I really enjoy giving them pleasure.

SWANK: ***When you masturbate, what sort of fantasies get you off the best?***
Riley: Sometimes I'll replay one of my scenes in my head that really turned me on. Other times I'll see something or just find myself getting really horny and I'll just get into masturbating. It isn't just one thing. I masturbate a lot and it doesn't take much to get me going.

"I used to just lay there on my back and let the guy do his thing. I think I gave a pretty good blow job, but now that I think back, it was probably more mechanical than sensual. While I enjoyed it, I came to learn there was so much more. Now I think I'm a pretty good fuck, but I can't wait to get even better, and that takes practice."

MADISON

Madison's charity, Pussy For Our Warriors Project, has raised hundreds of dollars so far. Tony's the face of her charity! How can she help him? Wash his crappy car? Detail his rims? Madison opts for a rimjob, only it involves Tony's butthole and Madison's swabbing tongue. After cleaning out Tony's tailpipe, Madison jacks his piston, getting it hard so it can penetrate her pink flaps. Get in there, Tony, and find peace in Madison's wet, velvety folds.
